

OCTOBER 2020 TRAFFIC VIOLATOR SCHOOL LIST Superior Court of California | County of Los Angeles

IMPORTANT! PLEASE READ:

Any person(s) involved in the offering of, or the soliciting for, a completion certificate for traffic school in which the person receiving the certificate does not attend, or if a traffic school course is completed by someone other than the defendant, may be found guilty of violating Sections 132 and 134 of the Penal Code, each of which, are felonies.

TRAFFIC SCHOOL CERTIFICATES OF COMPLETION

All Department of Motor Vehicles (DMV)-licensed traffic schools are required to submit a student's course completion via the DMV's Traffic Violator Course Completion (TVCC) Database, for each student who successfully completes a traffic violator course. Pursuant to Section 11219.5 (a) of the California Vehicle Code, all DMV-licensed traffic schools are required to provide students with a traffic school receipt as proof of traffic school completion.

TRAFFIC SCHOOL FOR MULTIPLE OFFENSES

If you complete traffic school for an eligible citation, you will not be able to take traffic school for a subsequent citation within an 18-month period from the first violation date.

CITATION STATUS

It is your responsibility to ensure that the court dismisses your citation upon completion of traffic school. You can check the status of your citation on the court's website at www.lacourt.org.

NOTICE TO COMMERCIAL DRIVERS REGARDING TRAFFIC VIOLATOR SCHOOL

If you are a driver with a class A, class B, or commercial class C driver license, and your violation was committed in a vehicle that requires the driver to have a commercial driver license, traffic school is prohibited.

If you are a driver with a class A, class B, or commercial class C driver license, and your violation was committed in a vehicle that **does not** require the driver to have a commercial driver license, traffic school may be permitted. However, please note that the completion of a traffic violator school course will only prevent a point from appearing on your driving record; the conviction itself will still appear on your driving record. For more information, please see Sections 1808.10 and 42005 of the California Vehicle Code. **Once the court has processed your completion certificate, you must call the DMV's Driver's Safety Unit at 916-657-6452 to notify them of your traffic violator school course completion. The DMV will ensure that your driving record is updated.**

TRAFFIC SCHOOL FEE

The \$64 Administrative fee that was paid to the court for traffic school **does not** include the cost of the traffic school course.

TRAFFIC SCHOOL EXTENSIONS

If you need additional time to complete traffic school, you may be eligible for a one-time 60-day extension. You may request an extension from the court which referred you to traffic school or you may process an extension via the internet at www.lacourt.org.

TRAFFIC SCHOOL LIST INFORMATION

Pursuant to Section 11205 of the California Vehicle Code, the following traffic school list was taken directly from the DMV's Occupational License Status Information System (OLSIS) on the date indicated on the lower right-hand corner of each page. If any errors have been found on the list, please contact the DMV at 916-229-3154.
